Invitation letter

Dear Mr. Wu

This is our pleasure to confirm by this letter our invitation for you (Ming Wu, born on 20 Apr. 1991) to attend the seminar organized by Urban Transport Systems Laboratory (LUTS) in Civil Engineering Section of School of Architecture, Civil and Environmental Engineering (ENAC) of Swiss Federal Institute of Technology of Lausanne (EPFL) during September July 17th to July 21st, 2017.

Airplane tickets, board, lodging expenses and the medical insurance during the entire period of stay in Switzerland will be fully covered by Guangdong University of Technology.

We would like to draw your attention to the enclosed notice concerning social security. We inform you that the citizens of all countries, except EU member states, need compulsorily a visa to stay in Switzerland. Therefore, you are kindly invited to apply for a visa at the closest Swiss embassy or consulate.

Looking forward to hearing from you soon, we remain.

Prof. Hui Fu
