April 25, 2017
Ming Wu

Welcome to attend 2017 The 8th International Conference on Mechanical and Aerospace Engineering (ICMAE 2017), Prague, Czech Republic, 22-25 July 2017.

Presentation information
PAPER ID: E051-A
TITLE: Investigation on pulse electrochemical machining of aluminum alloy 7075
AUTHORS: Ming Wu, Zhongning Guo, Xiaolei Chen and Chuangyun Zhang
INSTITUTION: Guangdong University of Technology, China

On behalf of Conference Chair Prof. Dashnor Hoxha, Orleans University, France; Local Chair Prof. Vit Vozenilek, Palacky University, Czech Republic, and other committee, it is my honor to invite you giving an oral presentation of your research achievements, to communicate with other researchers and practitioners who are working in a wide variety of scientific areas with a common interest.

Join us for the International Conference on Mechanical and Aerospace Engineering (ICMAE 2017), hosted in Prague, the beautiful and cultural capital of Czech Republic. The conference will present high impact scientific and technological advances, along with critical developments to the research areas.

For more information on the conference, please check the web site at: http://www.icmae.org/.

We look forward to seeing you at the conference and trust it will prove to be a scientifically stimulating experience for you and your international colleagues.

Sincerely,

Prof. Vit Vozenilek
ICMAE 2017 Organizing Committees
