Dear Mr. Wu,

Invitation letter

I understand that you will attend the 19th meeting of the International Symposium for Electromachining (ISEM), which will be held in Bilbao on 23rd-27th April, 2018.

I believe that this would be a good time for you to visit our institution after your conference in Bilbao. This would provide an opportunity for us to hold technical seminar, discuss potential research collaboration and plan for joint funding application. Hence, it is our pleasure to confirm by this letter our invitation for you (Mr. Ming WU, born on 20 Apr. 1991, Passport No E29183562) to visit the Institute between 28th April and 2nd May 2018.

We understand that all your expenses (including travel, living and medical insurance costs) for the period of your visit in Portugal will be fully covered by your employer Guangdong University of Technology. We also draw your attention that you need to apply for a visa at the closest Portuguese embassy or consulate.

I trust you can accept this formal invitation and look forward to seeing you in April 2018.

Yours sincerely,

Nuno Rocha
